

*Just a reminder your ten-year
CEFP submission are due soon.*

Are you prepared?

Pickering Associates can help.

Architects • Engineers • Surveyors

Architects - Engineers - Surveyors

11283 Emerson Ave.
Parkersburg, WV 26104

www.pickeringusa.com

At Pickering Associates we understand the requirements, policies and procedures necessary to complete your CEFP, and we have the means to help!

As a Full Service Firm we offer:

- Project Management
- Architecture
- Interior Design
- Structural Engineering
- Civil Engineering
- 3D Modeling, Drafting, & so much more!
- Surveying
- Electrical Engineering
- Mechanical Engineering
- Environmental Science
- Construction Administration

Our team has the resources to help you through every stage of your CEFP's. From helping to identify the scope of specific projects to assisting with public comment questions, Pickering will be there! Please feel free to reach out to contact me to discuss how Pickering can help you complete your CEFP for 2020-2030. We look forward to partnering with you.
